**What is Jesus Christ like?**

Come Follow Me- For Primary "Write *What is Jesus Christ like?* on the board. Read together D&C 61:1-2,36; 62:1, and make a list of answers to this question that the children find in the verses."

***Start with the picture of Jesus, as the primary manual suggests, and then hand out the pieces of the puzzle to the different children or groups of children. Have them look up the scriptures and write what they find on the piece of the puzzle. Have them tell you what they found as they place the pieces around Jesus Christ.***
