

Start by cutting out the picture of the Prophet.

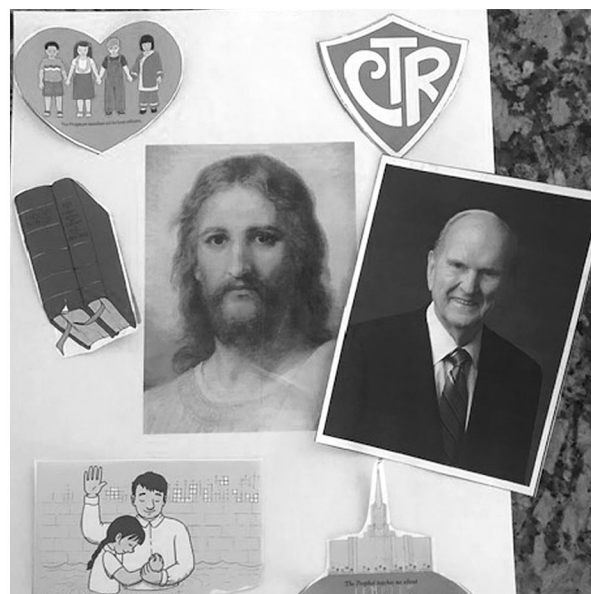

May want to protect the picture of Jesus by putting packaging tape over the top, or laminate.

Tape the picture of the prophet over the top of Jesus. This is how the kids will see it.

Have the children put the pictures on the page as you discuss the things the Prophet teaches us to do.

Then remove the picture of the Prophet. Testify that as we listen to the Prophet we are listening to our Heavenly Father and Savior.
