

They didn't find Zarahelma, but they did find another land that was covered in bones, and destroyed by war.

**16**

King Limhi told Ammon how he sent some men into the wilderness to find the other Nephites and the land of Zarahemla.

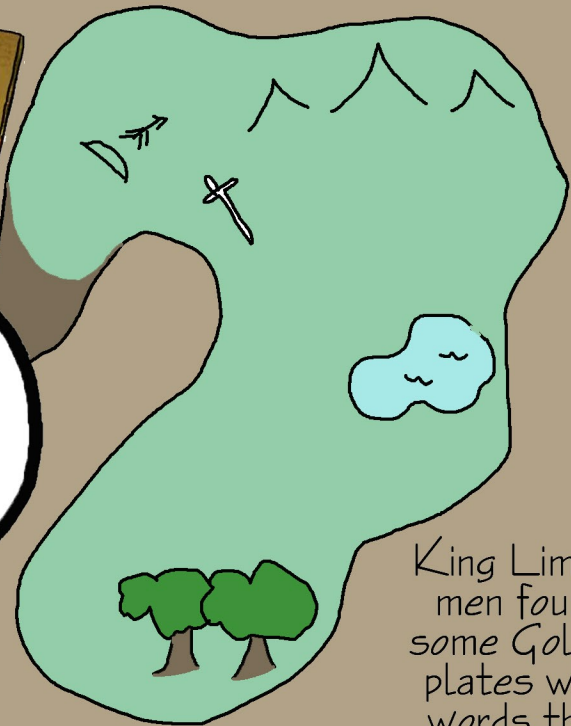

**15**

18. That record is the book of Ether.

**17**

King Limhi's men found some Golden plates with words that they couldn't read.
