Come Follow Me- For
Primary page 29 “Make a
path on the floor, and at the
end of the path, place a
picture of the temple, with a
covering over the picture.
Let the children walk on the
path, and as they do repeat
the phrase “walk in his
paths.”

Step stones, can be used to create the path
and as they step on each stone they can say
the words “Walk in his paths”
