

Read the scenario's from the other page, have the children use the puppets to act out the kind and the mean way to handle the situations. Focus on how Heavenly Father want us to be kind, and how we feel when we are kind. Point out how acting angry, creates more anger...like the scripture says.

Come follow me- for Primary "Read Proverbs 15:1 to the children, and explain any words or phrases that might be unfamiliar to them. Share a few examples of situations in which a child might feel angry (such as an argument with a brother or sister). Help them think of "soft answers," or kind words, they could use instead of angry words. Help them practice saying these things softly or in a calm voice."
