

I can help others feel welcome at church.

Come Follow Me- For Primary "Read D&C 46:5 aloud, and tell the children in your own words what this verse means. Show pictures of people from around the world. Ask the children which of these people Heavenly Father would want us to invite to our Church meetings."

Attach the arrow to the picture with a brad so it can spin. When it lands on a picture of one of the children, ask the child/ren if that is someone they could invite to church. Continue till everyone has gotten a turn.
