

Come Follow Me- For Primary *“Tell the children about William W. Phelps, who was a newspaper publisher before hearing the gospel and moving to Kirtland. Ask the children to read D&C 55:1-4 and list what God wanted William to do. Which of these things can apply to all of us, and which are specific to William because of his talents? Ask the children to identify talents they see in each other, and discuss how they can use those talents to serve God and His children.”*

Cut the letters out and put them in a bag or a bowl. Have the child/ren draw a letter out and tell you a talent they have that starts with that letter. Then have them tell you how they can use that talent to serve God and His children.
