

Come Follow me- for Primary
“Share a simple comparison
with the children that shows
how important it is to follow
instructions; for example, talk
with them about the steps we
must follow to prepare food or
play a game or build
something. What happens
when we don’t follow the
instructions? (Maybe you have
a personal experience you can
share.) Read Doctrine and
Covenants 130:21, and
compare these instructions to
the commandments we must
follow to receive blessings
from Heavenly Father.”
