

I can find spiritual protection in the gospel.

Come Follow Me- For Primary pg. 121 "Read Alma 43:19, explain that just as the Nephites were in a physical war, we are in a spiritual war against Satan, who doesn't want us to keep God's commandments. Draw a child on the board, and help the children think of things that protect our bodies (for example prayer, scripture reading, or keeping the commandments). Each time something is mentioned draw a piece of armor on the child on the board."
