

Come Follow Me- For Primary "Give some of the children paper hearts and other children paper footprints. Read 1 Kings 8:58, and ask the children to hold up the hearts when you say the word "hearts" and the footprints when you say the phrase "walk in all his ways."

It might be fun to put a foot print on one wall and the heart on the other, and have the kids run to different sides of the room when they hear the words, read the scripture a couple of times to help them learn it.
