

Come Follow Me- For primary page 186 “Ask the children why they like going to church, and help them name some of the things we do at church. Read to them some of these things from Moroni 6:4-6, 9, and invite them to act out or draw pictures of themselves doing some of these things (such as praying, preaching, singing, and partaking of the sacrament).”

Put the church paper over the top of this paper so the children can open the windows and doors, to see what we do at church. Attach with double sided tape or glue.
