The Savior

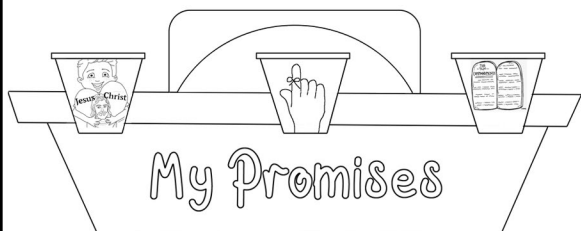

Temples

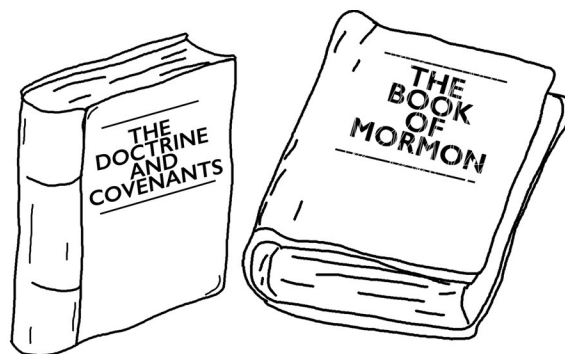

Come follow me-
for Primary
“Bring to class
pictures that
represent gospel
topics the
children can learn
more about, such
as baptism, the
Savior, temples,
and so on. Place
the pictures face
down on the
floor, and let the
children take
turns turning one
over. Ask them to
share what they
know and any
questions they
have about each
topic.”

Can also be
hidden around the
room, as the
children look for
them with magnify
glasses. Or you
could also, print
two for a
matching game.
