

Cut out the stepping stones, have the children put the ordinances (on the stepping stones) in order. Then jump to each stone (my kids like to pretend the floor is hot lava). At the end of the path, put the picture of Heavenly Father. Explain that the priesthood ordinances help us get back to Heavenly Father.

Come Follow Me- for Primary “Make a path on the floor, and give the children pictures of priesthood ordinances they will need so they can follow the path back to Heavenly Father. Help the children put the ordinances in order on the path.”
