

Come Follow Me- For Primary “Tell the children the parable of the wheat and the tares, or invite a child to tell it (see Matthew 13:24–30). Invite the children to draw a picture of something from the parable. Then read together Doctrine and Covenants 86:1–7, and invite the children to write on their drawings what the thing they drew represents.

Prepare several small pictures or drawings of wheat, and hide them around the room. Invite each child to help gather the wheat and write on it the name of someone they can “gather” to Jesus Christ. What does it mean to gather people to Jesus Christ? What are some ways we can do this? What does it mean to “continue in [the Savior’s] goodness,” and how does that help us gather people to Him? (Doctrine and Covenants 86:11).”
