Come Follow me- For Primary "Create two sets of matching cards labeled with words that Jesus used to teach about Heavenly Father in John 5, such as love, life, and works (see John 5:20, 26, 36). Lay the cards face down, and ask the children to look for matches by flipping over two cards at a time. As each match is made, read the verse that contains the word, and ask the children what the word teaches us about Heavenly Father."

**It would be fun to make a chart like this,
after the matches are made.**
