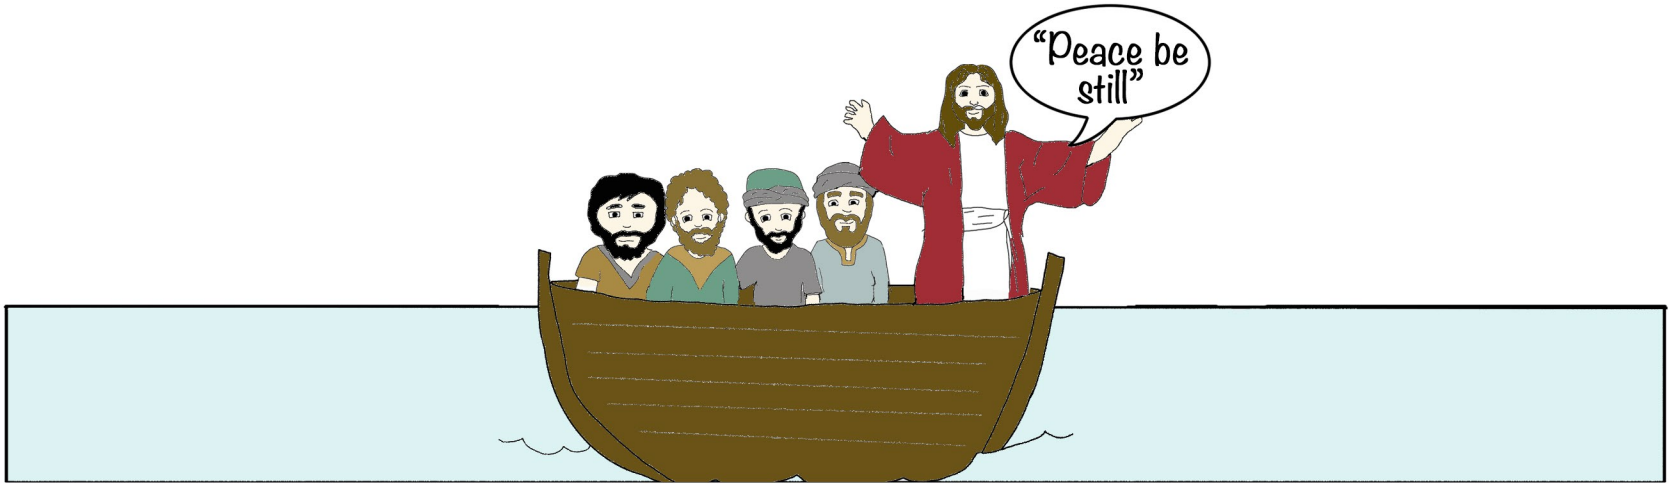
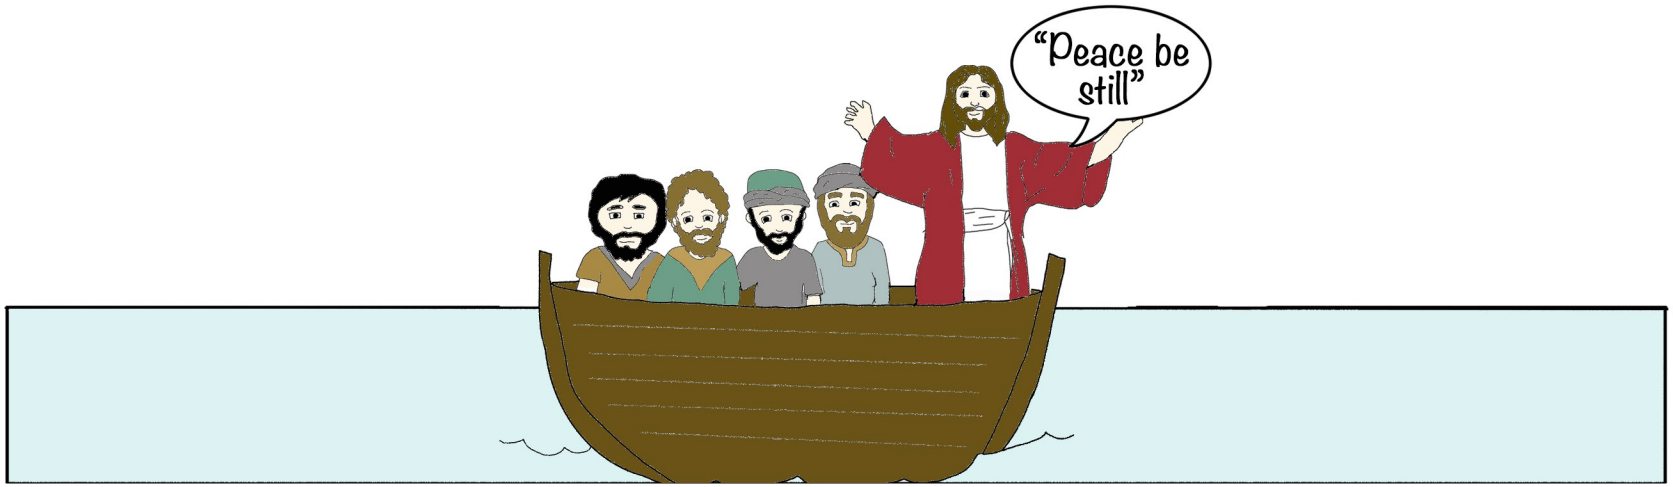
Come follow me- for Primary "Invite the children to make the sounds of a storm and stop when someone says "Peace, be still." Testify that just as Jesus can bring us peace when there is a storm outside, He can bring us peace in our hearts when we feel bad on the inside."




Attach to a water bottle, Option to fill the bottle with glitter and blue coloring. I recommend taping the lid on the bottle with strong tape.
Tell the children to shake the bottle, and then hold it still when a child says "Peace be still."
