

Come follow Me- for Primary
God's word is like a light.
The children you teach are on the path back to Heavenly Father. The word of God can help keep them on that path now and throughout their lives.

Possible Activities
Show pictures of the things mentioned in Psalm 119:105, and invite the children to put the pictures in order as you read the verse. Ask the children to repeat phrases from the verse with you as you point to the pictures.
