

# Brother of Jared's 16 stones

*Come Follow Me-For Primary page 174  
Ether 3: 6-15 "...Explain how the Lord  
responded to the brother of Jared's  
questions about barges. Place 16 stones  
throughout the classroom, and invite the  
children to count them as they find them."*

**Cut out the stones (from the other page) and hide them around  
the room, then have the kids match them up to this page.**
