

Holy Ghost 4 Corners (or walls) Game

Put each of these pictures on a wall or a corner in you house or classroom. Practice a couple of times with the kids saying "Spirit" "Truth" "Guide" "Comfort", and see how fast they can run to that picture. Then read the scriptures John 14:26-27; 15:26; 16:13-14. See if they can still catch the words. After take the picture of the Holy Ghost and pass it around. Ask the children if he has a body. Because he is a spirit he has the power to comfort, guide, teach us what is true.
