

Read 3 Nephi 2:1-3 together and talk about how some people "began to forget those signs and wonders which they had heard." Then play an activity to help your family remember God all week. Label a jar "God loves me."

Give each family member a small piece of paper and ask them to write down a blessing God has given them. Put the papers in the jar.

Encourage family members to add more papers to the jar as they notice blessings during the week.

At the end of the week, pick a handful of papers to read out loud and talk about.

Discussion: Why do you think the adversary wants us to forget the spiritual "wonders" we notice in our lives? How can we remember God every day?
