

Brother of Jared's 16 stones

*Come Follow Me-For Primary page 174
Ether 3: 6-15 "...Explain how the Lord
responded to the brother of Jared's
questions about barges. Place 16 stones
throughout the classroom, and invite the
children to count them as they find them."*

**Cut out the stones (from the other page) and hide them around
the room, then have the kids match them up to this page.**
