

**This candy is not just candy,
it is a whistle for you. It
can make sweet music and
make God happy too.**

**“For my soul delighteth in the song
of the heart; yea the song of
righteous is a prayer unto me..”**

D&C 25:12

1. Read D&C 25:12, imagine how Heavenly Father and Jesus feel when They hear us sing these songs.
2. Think of your favorite church song and whistle the tune into the candy, see if anyone can guess it. After they have guessed it, sing the song together as a family.
