 "Play a guessing game with the children. Give them clues about the faithful people described in Ether 12:13-15, 19-20 until the children can guess who they are."

Directions: lay the cards face down, so no one can see the picture, then whoever turn it is draws the card and puts it on their head so they still can't see it. If they are older they have to ask yes or no questions, for example, "Is this person a missionary?" "Are there two of them?" If they are younger, give them hints, until they think they know who it is.
